**2 lines are left blank (Times New Roman 14 points)**

**GRADUATION PROJECT**  
**XXXXXXX DEPARTMENT**

**9 lines are left blank (Times New Roman 12 point)**

The thesis will be written on A4 size paper, with a margin of 2.5 cm from the bottom, right and top, and 4 cm from the left.

**Only the left gap on the cover should be 3 cm.**

The binding will be made using a glossy cardboard cover printed with color printing. The color of cover is white and black binding will not be used.

The same cover will also be used as the inner cover.

## ACKNOWLEDGMENTS

**- One line of space -**

To my advisor, Prof. Dr. Name SURNAME xxxxxxxx, who supported me at every stage of my work and guided me with his knowledge and experience. To my dear teacher, Prof. Dr. xxxxxxxx, who I am very honored to know, who helped me financially and morally in all aspects of my graduate education life with his knowledge and experience, enlightened me with his experiences and supported me constantly. To Prof. Dr. xxxxxxxx, who supported me during my graduate education and provided all kinds of opportunities and support for HPLC device. To my dear friend Civil Engineer xxxxxxxx, whose moral support I always felt during my studies. I would like to thank my family, who supported me financially and morally throughout my education life and always stood by me.

**A paragraph (1.25 cm) indent and a line space between paragraphs should be left. If the thesis project is supported by an institution or organization, the institution or organization that is said should be thanked and the project number should be specified. Acknowledgments should be written in Times New Roman font with single line spacing.**

Name and SURNAME will be written after 2 lines of space are left after the thank you text is finished.
